

The Augusta National Spectator Info & Attendance Policy

Weather

Average April temperatures range from highs of 80 degrees to lows of 50 degrees. Hats, cool clothing, and sunscreen should be worn on bright, sunny days.

Facilities for the Physically Impaired

Facilities for the physically impaired are provided. For the safety of all concerned, it is suggested that those using wheelchairs or similar transport use the hard surfaced roads and flat observation areas as much as possible. Cell phones, beepers and other electronic devices are strictly prohibited on the grounds at all times.

Cameras are strictly prohibited on Tournament days. Violation of these policies will subject the ticket holder to removal from the grounds and the ticket purchaser to the permanent loss of credential(s).
